

Dear Fellow Tuscarora Member,

It is with great pride, enthusiasm and anticipation that our Tuscarora Golf Club house committee and Board of Directors have given me the opportunity to serve you as your restaurant, catering and beverage proprietor.

My pride, appreciation and love for golf and Tuscarora began 57 years ago when I learned the game caddying for my Dad almost every Saturday and Sunday. From those days to today, mine and my family's recreation, social and competitive lives have revolved around golf and friends at Tuscarora.

Now, after experiencing and being a part of 57 years of wonderful history and memories at Tuscarora I am in a position to give back to the club that has provided me and my family so much in life. You have given me an opportunity to build upon the club's strong foundation by providing a new level of service and quality of food like never before.

For my 10 years as Director of the New York State Fair, together with a wonderful team staff, we built a reputation on customer service and satisfaction. We rolled the red carpet out for every fair visitor treating all like gold. We proclaimed the Fair to be "the peoples fair" inviting publically; suggestions, comments and criticism to make certain that we provided what the Fairgoers expected and deserved.

Tuscarora Golf Club is the members club. We will roll the red carpet out for all of you members to treat you like gold providing you with the best in customer service and satisfaction; along with quality priced right food. We will invite you with locked suggestion boxes, in the locker and rest rooms, to provide unsigned confidential comments, criticisms and suggestions for us to make certain we are providing you what you expect and deserve.

We have hired a most successful proven experienced chef and kitchen staff that will provide you with fresh quality food with most reasonable prices. We have begun to hire a wait and bar staff team that will be educated on providing, with a smile, the service we require. That service will be bolstered with training, daily communication and sufficient bar and floor staffing to provide timely service.

Our plan includes many new fun days including but not limited to "Fun Thursday's" that will host on successive Thursday nights, trivia, bingo, karaoke, a pitch tournament, steak and cigar night, dart contest, wine tasting, beer tasting, scotch tasting, St. Patrick's day in the summer and a Frank Sinatra Italian night.

We will host a Thursday and Saturday 4-7 Happy Hour as well as an outstanding Friday night fish menu. We will try a Saturday prime rib night with entertainment on the patio. On Sunday we will host a 1-7 Italian Family style dinner with Italian music and activities and entertainment for children on special selective days.

Even though Thursday's will be labeled "Fun Thursday" every day will be a Fun Day at Tuscarora. "Fun is only limited by your imagination"

We will cater to all Club functions, tournaments and events with the right options and pricing. We will, with your cooperation, bill you properly without any surprises when your statement arrives at your home. All bar and wait staff will request from you your name and account number before you order. Your name and account number will then be logged on your check order with the wait /bar staffs ID number. We request you sign each check order after making sure it is correct.

We will be honoring you and our past by naming the dinning/banquet room "The Members Room". The middle entrance room as "The Bednarski Room". The tavern room "The Entwistle Pub". We will be naming food dishes on the menu after members and staff from the past. Please provide me with suggestions asap?

We will gladly host any outside event, around club events, like reunions, weddings, showers and business meetings. Please make the suggestion to family and friends that may have a need or interest. Members who make a referral to me will receive a complimentary dinner and drink for two. Please call me at 380-3656.

Lastly, for now, please email me your beer, wine and food favorites that you would like to see on the menu in your restaurant. Also, please email me any suggestions, for improvements, not mentioned herein. Or, you can wait until we open to respond in our confidential suggestion box.

Again, Tuscarora is your Club and we intend to make sure that the Tuscarora Restaurant and Pub meet and exceed your desires and expectations.

I look forward to seeing and serving you soon when together we will enjoy Tuscarora with no limit on how much fun and enjoyment we will have!

Your friend, fellow member and Restaurant proprietor,

Peter Cappuccilli Jr.
